Designed to be flexible enough to meet your needs today and grow with you tomorrow

HP Pro 3015 Desktop PC series

Realize your potential with the HP Pro 3015 Business Desktop PC. Powerful enough to handle your everyday business needs now, with enough flexibility built-in to allow you to keep an eye towards the future. Get out-of-the-box productivity and flexibility in a modern look and feel today.

Flexibility comes standard

Your business needs evolve as your small business grows. You don't know exactly what you will need in future. With that in mind, the HP Pro 3015 is designed to evolve with you. Available ports, slots and bays allow you to configure your PC to meet your needs today and then expand your capabilities when the time is right.

Out-of-the-box productivity

This PC is ready to go when you are with capable AMD processors, a genuine Windows® 7 operating system, dual monitor support, NVIDIA® chipset and graphics controller, a variety of optical drives and up to 8 GB DDR3 SDRAM memory. You get a PC equipped to make an impact right out of the box with a range of ports, slots and bays to help you make the most of your new PC.

The choice is yours

Get a PC that's a perfect fit for your environment

Do more with pre-qualified options

Build your potential with pre-qualified options like the 22-in-1 Media Card Reader or a SuperMulti LightScribe DVD Writer Drive so you can burn labels directly onto LightScribe disks.

Built to last

With innovative engineering and more than 130,000 hours of testing, you know you're getting a reliable and durable desktop that can go the distance.

Plus, the HP Pro 3015 offers service and support options, so you can spend your time focusing on what's most important— your business.
